BAZAR CREATIVE MARKETPLACE

# Financial System

Real Economy for Creators

## D Coin Currency

1 D Coin = 1 Somoni

Real value, not virtual points

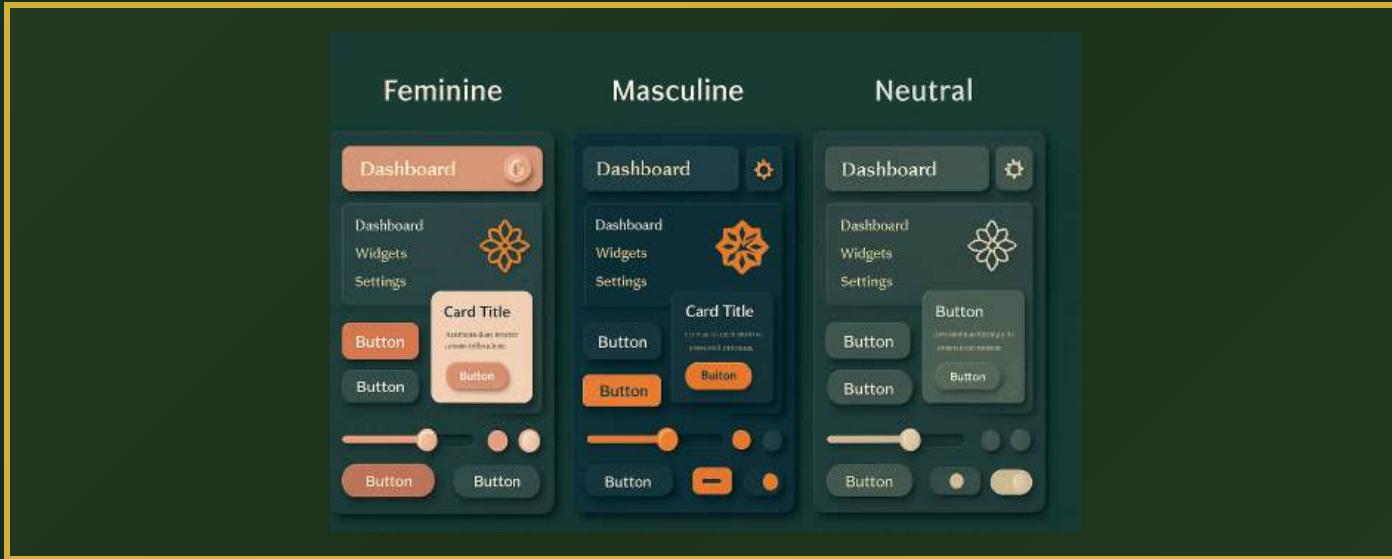

- ◆ Tajik wallets (all popular systems)
- ◆ Russian payment systems
- ◆ International Visa payments

## Transparent & Trustworthy

Monthly payouts • Real-time reports • Complete financial visibility

# Interface Personalization

Adaptive UI for Every User

## Feminine Mode

Soft, elegant elements with warm accents

- Rounded, graceful buttons
- Warm color palette
- Comfortable spacing

## Masculine Mode

Bold, strong design with sharp accents

- Angular, decisive elements
- Cool color palette
- Compact layout

## Neutral Mode

Balanced design for universal appeal

- Harmonious elements
- Neutral palette
- Optimal balance

## Personalization Philosophy

Panels and interface elements include **gender-specific variations** so users quickly find a comfortable style without sacrificing functionality.

# Support & Philosophy

A Living Creative Ecosystem

## Live Technical Support

No bots – **real people** ready to help

## Direct Creator Contact

**Direct access** to the creators

## Quick Problem Resolution

Fast responses and **feedback integration**

## Our Philosophy

### Regional Culture Support

Celebrating Persian, Arabic, and Central Asian artistic heritage

### Creator-First Design

Features built with real creator needs in mind

### Community Growth

A collaborative creative community for shared success

D MOTION is more than software – **it's a movement** supporting creative voices in Central Asia and beyond.

# Multilingual & Global

## REGIONAL & INTERNATIONAL REACH

D MOTION is available in **4 languages** with full localization for both regional and international creative audiences.

### Tajik
